February 25, 2022

Dear Parents/Guardians:

Wallenpaupack Area School District has received the following information regarding the elimination of the federal transportation masking requirement:

“Effective February 25, 2022, CDC does not require wearing of masks on buses or vans operated by public or private school systems, including early care and education/child care programs.”

As Wayne and Pike Counties remain in high levels of community transmission, masks are encouraged, but are no longer required.

Sincerely,

A handwritten signature in blue ink, appearing to read "Keith E. Gunuskey".

Keith E. Gunuskey, Superintendent
