DIRECTOR OF SCHOOL SECURITY
John P. Clader

COUNSELORS
Emily Caccavale
Diane Farro
Catherine Garvey
Shawn Knisely
Melissa Monte
Susan Sullum

June 15, 2021

Dear Parent & Student,

As we end one school year, it is time to prepare for the next. Throughout the summer students may have opportunities in individual sports to improve their skills. The fall sports season begins with Heat Acclimatization for varsity football beginning on Aug. 9th. Most other sports will begin their fall seasons on August 16th. In order to participate in a fall sport, students must have a physical which has to be dated on or after June 1, 2021. We will be providing physicals this summer on July 12 – 14 from 8:30 – 11:30 each day.

For this upcoming year, the Wallenpaupack Athletic Department will be using a program that is part of Big Teams/Schedule Star called Planet HS, or Student Central. This program will allow students and parents to access the PIAA CIPPE form for physicals. Every student and parent will need to create an account through Student Central. The PIAA CIPPE will be there for you to fill out. When we do physicals here at school, we will be able to upload the physical or give you a copy for you to upload to your account. (Information as to how to set up your account will be on another attachment.) Those of you who will have a private physician do your physical, will be able to upload that to your account as well. I know that change is sometimes difficult, but this will improve all types of communication. We just want to start out small. Eventually, all Athletic Department paperwork will be in your account.

I am looking forward to the 2021 – 2022 school year, as I am optimistic that our student-athletes will have even more opportunities to participate and compete than they did this year. I will be in the Athletic Office throughout the summer where you can contact me if you have any questions.

Thank you in advance for your cooperation.

Sincerely,

Ann Marie Simons, RAA
Athletic Director
