Dear Parents/Guardians:

The Wallenpaupack Area School District has received information that one student at the North Intermediate School, one student at the Middle School, and two students at the High School have tested positive for Covid-19. The District has taken precautionary measures to notify students who had close contact with the Covid-positive students to ensure appropriate quarantining timelines. The Department of Health will contact those who had close contact to review quarantine requirements and provide further instructions.

Sincerely,
