TO: All Community Education Instructors
FROM: Mine Gulumoglu
SUBJECT: Community Education – Fall 2022

It is that time of year again when we start thinking about our Fall Community Education Programs. Even though it may seem early we must begin to organize if we are to have a full program to offer to our area residents. I would like to have the attached information sheets returned to me no later than **August 5th, 2022.**

REMINDER: CLEARANCES ARE REQUIRED IF YOU ARE TEACHING A CLASS WITH CHILDREN (17 years old or younger). Include your clearances with the completed instructor form.

******Registration for classes will begin September 6th, 2022 and end on September 20th, 2022.***

******Fall courses will run from October 10th to November 25th, 2022.***

After all registration is complete, you will receive your class list and payment voucher. The hourly rate for Community Education is \$20.00 per hour.

Community Education classes follow the school schedule. **If there is no school, or an early dismissal, there is NO Community Education.** It is the responsibility of the instructor to notify the students in their class if there is any change(s) in the schedule.

I hope to hear from new instructors as well as those who have offered courses in the past. If you know of someone in the community who might be interested in offering a course, please ask them to call me at 570-251-3000 Monday – Thursday 8:00am – 3:00pm.

Thank you for your support.
