Superintendent

**Keith Gunuskey**  
Assistant Superintendent

**Kerriann Horan**  
Business Administrator

**Lindsey Shaheen**  
Board Secretary

February 17, 2021

Dear Parents/Guardians:

The Wallenpaupack Area School District has received information that one student from the High School has tested positive for Covid-19. The District has taken precautionary measures to notify students and staff who had close contact with the Covid-positive individual to ensure appropriate quarantining timelines. The Department of Health will contact the families of those who had close contact to review quarantine requirements and provide further instructions.

Just a reminder that Friday, February 19th, will be a half-day for students, whether we are learning in-person or through remote instruction.

Sincerely,

A handwritten signature in black ink, appearing to read "Keith E. Gunuskey", written over a horizontal line.

Keith E. Gunuskey, Pandemic Coordinator  
Assistant Superintendent
