Course Description – a narrative of the entire course. Highlight major concepts addressed and the benefit for student completion.

The 3rd Grade Social Studies course content and contexts are embedded within the 3rd grade English Language Arts Units. The Social Studies content and context for this course include Literacy Lab, Celebrations Around the World, Weather and Climate, and Traditional Tales and World Cultures.

Course Rationale – highlight the purpose of this course and what makes it relevant.

As students' progress in their Social Studies experiences, they focus on learning about the world around them from smaller and more local contexts all the way through contexts requiring global awareness. To this point in their Social Studies development 3rd grade students have Social Studies experiences in mapping their homes, schools, neighborhoods, states, countries, and eventually the world (1st grade), jobs in their communities (2nd grade), traditional tales and world cultures and geography (3rd grade).

Unit	Standard	Essential Questions	Enduring Understandings	Vocabulary	Materials/ Resources	Assessment
Weather and Climate	<p>7.1 Basic Geographic Literacy</p> <p>7.2 Physical Characteristics of Places and Regions</p> <p>7.4 Interactions between people and environment</p>	<p>Define and describe your weather phenomenon.</p> <p>In which climate is your weather phenomenon going to occur and why?</p> <p>What data sets are collected on your weather phenomenon and why?</p> <p>How can natural hazards impact society and the environment?</p>	<p>Science, and its practical application, technology, have had a major influence on social and cultural change, and on the ways people interact with the world.</p>	<p>Refer to Weather and Climate Vocabulary Card for social studies specific vocabulary under the headings of Types, Location, Data, Patterns and Causes, Impacts and Relief, and Technology.</p>	<p>Weather and Climate Exemplar Text Pack</p> <p>I Survived the Children's Blizzard by Lauren Tarshis</p> <p>Classroom Libraries</p> <p>Arc Bookshelf</p> <p>Classroom Maps</p> <p>Epic</p>	<p>Pre-assessment</p> <p>Post-assessment</p> <p>Final Project</p>

Unit	Standard	Essential Questions	Enduring Understandings	Vocabulary	Materials/Resources	Assessment
